"Brining Hope and Life to the Prisoners"

NEWSLETTER FOR AUGUST 2018

From Founder: Pastor Robert Dubois,

Dear Hope Partners and Friends; God is moving as never before as we go into many prisons and some Sunday's we have 3 different teams going to 3 prisons, and the anointing is always strong. Prison ministry is more than going into the prisons. It's a commitment to help the ministry as well and to our supporters, thanks for doing what you can.

From Director: Shelia Johnson,

Hello everyone!

I would like to encourage everyone to continue doing the work of the Lord. The Prisons are steady filling up which means more volunteers are needed. Sure, there is no physical pay in this work. Oh! but the spiritual pay, (when a soul comes to Christ and Heaven rejoices), is much more a blessing than any money could ever be. I don't know about you, but I'm storing up my timbers and working for my crown. For those who are still trying to decide if they want to support this ministry please know that we understand your reservations, and we pray that God would prick your hearts so that you will know that this is the will of God, and a ministry to sow into. We are to pull together in unity because no ministry stands alone. It takes unity to do the work of the Lord. The enemy is hard pressed because He knows his time is soon to come and we have to be busy about our Father's business so that we don't get caught with our works undone. Work while it is day for night comes and no man can work. (Jn 9:4) Please help us by donating. We are in need of volunteer (singers, musicians, testimonies, preachers) that can go into the prisons with us.

Thanks and God Bless!

PULLING TOGETHER:

Two old mules, now get this dope, were tied together with a piece of rope. Said one to the other, "You come my way while I take a nibble of this new-mown hay."

"I won't," said the other, "You come with me, for I, too, have some hay, you see." So they got nowhere, just pawed up dirt and how, oh how that old rope did hurt! Then they faced about, those stubborn mules, and said, "We're just too much like human fools. Let's pull together, I'll go your way, then come with me and we'll both eat hay."

Well, they ate their hay, and liked it too, and swore to be comrades good and true. As the sun went down they were heard to say, "Ah, this is the end of a perfect day----

We must pull together-----'tis the only way."

LETTERS FROM HOPE FOR ALL IN JESUS MEMBERS:

Praise the Lord! This Prison Ministry team is compiled of a wonderful mix of people from a variety of cultures and backgrounds who are eager to serve the Lord. Here are some Praise reports from a couple of the visits made to Prisons during the Month of July.

Church Service held at Duncan Unit in Diboll, TX

On the 29th of July, Minister John Hammond, Bobbie Lopez and Dan Grove traveled to Diboll, Texas to hold a service at the Duncan Unit. I believe the enemy did not want this service because Dan was stopped from going in because they said his name was on the list. Also, when Bobbies and I were allowed into the church service area at 8:45am we were informed that the service is to end at 10:45am allowing plenty of time, however, the men were not released into the service until 9:45am. The prison worship team open the service and then Bobbie ushered in the Presence of God with anointed gospel songs. The message, “Get Acquainted with Your Heavenly Father” encouraged the men to understand that God is our Father and not judge. There were 75 men in the service and when the call was made to recommit their lives to developing their relationship with God, all the men stood and were enthusiastic to draw closer our Heavenly Father.

Church Service held at Joe Keagan State Jail, Houston, TX

On the 15th of July, Minister John Hammond and Dan Groves went to this unit to hold services. Inside, we learned that we would have 3 hours with the inmates of which 25 men came to the service. After a time of Praise and Worship during which we pulled some old songs out of the mothballs to Glorify the Lord. I am confident He was as blessed as we were as we raised our voices in song. John also blessed us with individual song that magnified The Lord. Dan Groves shared some of his testimony after which we were all ministered to by John on “The Location of God”, His address. We all know God inhabits our praise, and John expounded more on where and how you can find the heart of God. We could use a follow up on that John. When the message was concluded, we opened up for testimonies from the inmates. We asked if any had a testimony about hearing from the Holy Spirit and obeying Him and the result. We had some stories of how the Spirit had called on them and they had followed. Then we asked if any had ever heard the Holy Spirit; but ignored Him and disobeyed. There were a few chuckles as many of them would not be in that room if they had listened to the gentle nudging of God’s Holy Spirit. There were some very interesting testimonies, such as one, who had been released and ran into an acquaintance from High School who was a preacher’s son and was now pastoring a church. The man invited him to come, but he did not take up the invitation and, well, here he was now. Shoulda listened. In the end, we filled those 3 hours and hardly anyone was ready to leave when the time was up. NOTE: It’s not entertainment but the ministry of the Holy Spirit.

THIS ARTICLE FROM LAST MONTH NEWSLETTER BEARS REPEATING.

The Bible is God’s Word and the only absolutely divine thing that there is upon this earth in visible, tangible form.

All of us have been told we need to read the Bible but really don’t know where to start. This is the reading plan I recommend, to be followed in this sequence.

Read at least one chapter per day and before you start ask the Holy Spirit to give you revelation.

1. **Genesis:** To me this is one of the most important books in the Bible because it tells how the world began and the major players.
2. **Matthew:** This first gospel that proves Jesus was the Jewish Messiah. After Matthew read the book of Acts and then read every epistle through the book of Revelations. Then read Mark and follow the same reading plan, then Luke with the same reading plan and finally John. Doing this you have read the New Testament through 4 times.
3. **Proverbs (everyday):** This book has 31 chapters and the easiest way to read it is one chapter for each day of the month.
4. **Psalms:** Start reading from beginning at least one psalm a day.
5. **Old Testament:** After you have completed the New Testament 4 times then start reading books in the Old Testament.

Editor’s note HEROES: Marvel Comics has enjoyed tremendous success through the 20th century with their comic book series, each featuring a hero with special super powers endowed on them in one way or another. That success has carried over into the 21st century in movie making of the old heroes from the 20th. Some of the biggest blockbusters have had for a story line the life of some seemingly ordinary person who acquires super powers that can only be given to someone pure of heart. One that comes to mind is Star Wars, which draws some parallels to actual timeless truths. Sadly, they are all fantasies and counterfeits of real super powers and real heroes. Who are the heroes in your household? Who is your own hero? Consider the man and woman of God, who obey God’s word and stand by it, even to their own hurt or humiliation. Whose praise do we live for? Is it to be honored by Almighty God, or praised by men? Consider the architects and signers of our Declaration of Independence. God fearing men who suffered resistance, loss of property, imprisonment, hanging, ridicule, and all sorts of tragedy for their stance against evil tyranny, and most went to their grave in poverty. But, today, we call them the founding fathers of the greatest nation this world has ever seen. Why not be a hero in your family. Can you stand up for the integrity of God’s Holy Word as the one and only Truth for all mankind for all eternity?
