"Go into all the world and preach the good news to all creation." Mark 16:15

To all our prayer partners & Friends;

I pray that God will keep you in His love and bring you peace smoothing your way guiding you safely day by day.

To all our partners & friends:

Please keep Bro. Robert in your prayers. We would like to thank each of you for all your faithful support to this ministry; it is greatly appreciated. This ministry is faith based, relying, (believing), on the Holy Spirit to speak to individual partners, (whom He wishes to bless), to give willingly from your heart and prove the Word of God. More partners are being called to join those faithful ones in the area of giving with a cheerful heart. Please listen and obey your Spirit. We presently go into about eleven prisons and it is straining our finances. How can we say no to the souls desperate for the blessing of God's Word. Please join us in giving thanks for His provision as He knows our needs and will provide. I am one who counts it a privilege, joining the blessed ones who donate gladly out of their wealth and/or poverty.

"He that goeth forth and weepeth, bearing precious seed, shall doubtless come again rejoicing, bringing his sheaves with him." Ps 126:6

Thank you and may God Bless You.

Shelia Johnson Soldier4Christ

Ministry all members meeting: 20th July, 6pm

929 Rockmead Dr. Kingwood, Tx. 77338

On Saturday, 11th of May,

I had the privilege to go to the Estelle Unit and participate in ministry there. We had a powerful time of praise and worship with Bro. Ray and Sister Vanessa singing. Mother's Day was the next day, so I sang a song with my Mom in mind, called "Knowing What I Know About Heaven", which brought some to tears. People talk about hardened prisoners but there are a few... My husband, George, preached about the mute man that Jesus healed. He pointed out how, sometimes, Satan takes our voices. Maybe not physically, but when we want to say something for the Lord, but we just can't talk. The men kept handing us prayer requests. Some were selfish, (Lord, help me get out of here). Some were for things like their families, their 'celly's', and several of them just wanted to be more like Jesus. People don't realize that the prisons are Satan's playgrounds and when an offender gets saved in prison, Satan retaliates. We need to remember to lift our brothers and sisters that are behind bars in our prayers.

Joy Powell

Cleveland Unit on Sunday, 12th of May,

Robert Dubois, Dan, George & Joy arrived to find that another ministry had also shown up. God in His faithfulness made confusion give way to order as Hope for All in Jesus Prison Outreach was recognized as the long-standing owner of this scheduled slot. After the initial worship led by the prison team, George & Joy Powell followed by Robert, each ministered in song. Dan Groves gave a short testimony and Robert ministered from 1 John 1 & 2 "If you walk in the light as He is in the light..." Individual prayer followed with the inmates also ministering while George encouraged more to come.

Clemens Unit Sunday, May 19, 2019

The Hope for All in Jesus team arrived at the Clemens Unit to greet a mostly enthusiastic and mostly young congregation. The Clemens praise team ministered in music and song. Shelia Johnson (Director) and Ray Felder ushered in the Holy Spirit with heartfelt praise and worship.

Shelia brought a powerful Word from the Lord entitled, "How Much Do You Trust God and How Far Will You Let Your Faith Go?". His Word did not return void. Numerous men came for prayer at the altar call. Leonard and Cynthia Ventress, Shelia, and Ray all stepped up to pray for the men.

At least one man gave his life to Christ. Several rededicated their lives. There were healings and deliverances and prayers for family members.

Most notable was a very young man who whispered to Leonard after most had left; "I have been praying to Satan, and I want to switch sides. I want to give my life to Christ." Shelia, Cynthia, and Leonard led him in a prayer to do just that. All praise goes to our Heavenly Father for the marvelous work that He is doing in the prisons. We thank Him so much for allowing us to be a part of it

On Sunday, 26th May

George Powell, Jim & Dan Groves visited the Joe Kegan Jail in Houston. George shared a song and Jim shared a word of encouragement. Dan read from Psalm 8 in support of the message that George shared about the awesome works of God in us. Dan had a written message about the relationship between faith and belief which was passed out. Afterward we had men come forward one at a time for specific personal prayer. At least three of them are to be released soon and we prayed for God's special strength in them to continue giving Him 1st place in their lives.
