PRINCE OF PEACE

From Shelia Johnson

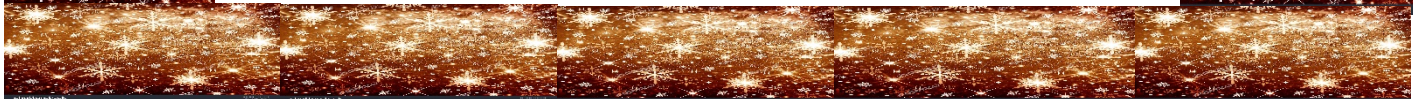

Chaplain and President

Shepherds and Kings and everybody in between in the basket of social status. We all have reason for hearts filled with Joy as we consider the sheer hopelessness that man would ever attain to the level of fellowship with God that was the purpose for which we were created. Then at the fullness of time, God, out of His great love, sent His own Son to live a season as a

man, 'the son of man', as he was fond of calling himself. Not only that, but to defeat the enemy that separates us from God, sin and death, presenting himself the perfect sacrifice; that He would give freely to all who believe, access to our Heavenly Father God and eternal life.

"Be careful for nothing; but in everything by prayer and supplication with thanksgiving let your requests be made known unto God." Phil 4:6 (KJV)
Prayer requests should be submitted to Shelia Johnson ** 281-467-2410 **

PRISON VISITS SUSPENDED FOR A SEASON

Because we have no indication that we will resume prison visits this year or even maintain the same schedule, we are not publishing the schedule this month. If we are invited to continue on some schedule, it will be added to the calendar on the ministry website:

DECEMBER BIRTHDAYS

We wish to celebrate and rejoice with you who were born in the month of December. We, your brothers and sisters miss being able to join you physically, but know this, that our hearts are with you and we desire that you enjoy the Holy presence of God our Father on your special day.

OUTREACH: This letter is about the efforts of Pastor Venture Omor, who have been my friend for over 30 years. Pastor Robert Dubois and Director Shelia Johnson spent some time with Venture and got to know him during his visit to the States in 2017. During this Christmas season, Hope For All In Jesus sent funds to help Pastor Venture Omor in Benin City with their feeding program for Christians displaced because of Muslim persecution in Nigeria. In September 2020, a total of 156 families escaped the Islamic attacks with nothing more than the clothes they were wearing, and the church Venture is pastoring in Benin City, Nigeria, committed to helping these Christian families with shelter, food, and medical attention as best they can. Many of the children were sick, nursing mothers and pregnant women that were in urgent need of medical attention. On November 30th, Pastor Venture sent me a text stating the church has exhausted the funds available with no government help, and they are totally out of food. I spoke with Shelia Johnson about Venture's situation, and we decided to send him money. So, between myself and the prison ministry, we were able to help out with a \$500.00 by wire transfer. Venture called me when they received the money the next day, stating they were so grateful. These are some photographs of the displaced people, Venture and his wife Helen are helping, with food distribution and the feeding program.

Thank you for your support and God bless, **Minister John Hammond**

Volunteers in Hope for All In Jesus Prison Outreach, please call or write to Chaplain Shelia to let her know that you are ready to go back into the prisons when they are opened up again for ministry. It would encourage her and help her to make the plans needed when it happens. schristiansj@gmail.com 281-467-2410
